Dear Zehua,

Upon the recommendation of faculty, it is my pleasure to offer you admission into the Doctor of Philosophy program in Hydrology, beginning Fall 2026 (August).

Additionally, the program has awarded you a Research Assistantship for one Calendar Year (Fall, Spring and Summer). This assistantship includes a full tuition scholarship, health insurance, student fees, and a total stipend of \$38,000.00. Your financial aid offer is contingent on satisfying all the [requirements of the assistantship and maintaining good academic standing](#). It is important that you familiarize yourself with the [Council of Graduate Schools Resolution](#) before accepting a financial aid award offer (April 15th Resolution).

Your academic advisor is Serveh Kamrava, who can be reached by calling 303.273.3966 or emailing kamrava@mines.edu, and your program contact is Rachel McDonald, who can be reached by calling 303.273.3321 or emailing rmcdonald@mines.edu. Please reach out if you have questions related to your program or offer of admission.

You are among a select group of students accepted to Colorado School of Mines and I congratulate you on the hard work that has led to your acceptance. You will find Mines to be a collaborative and welcoming research institution with a size that allows for personal attention.

Please log into your applicant portal to facilitate a smooth transition to Colorado School of Mines. Within this portal, you can accept or decline our admissions offer and access your enrollment checklist and next steps.

Again, congratulations on your acceptance to graduate studies at Colorado School of Mines, Zehua!
If you have any questions, feel free to contact us.

Go Orediggers!
